

Association of Energy Engineers – New England Chapter Energy Technologies and Services Show

Event Date: November 3, 2010
Doubletree Guest Suites Hotel in Waltham, MA
5 p.m. - 8 p.m. Technologies and Services Show
7 p.m. - 8 p.m. Technology Breakout Session

This annual show of the New England Chapter of the Association of Energy Engineers will feature exhibitors showcasing the latest in energy technologies and services for commercial and industrial facilities. Attendees will learn more about how to lower energy bills and leverage efficiency incentives.

During Technology Breakout Sessions, attendees will have an opportunity to learn more about technologies and services.

The fee for the Energy Technologies and Services Show is \$20 for those who register before October 27th. Late registrations/walk-in at the door is \$30. The event includes hors d'oeuvres.
